

ALLERGEN AND INTOLERANCE INFORMATION

If you suffer from an allergy of food intolerance we hope that the table below can provide you with the details of allergens in our foods.

All products are produced in a open kitchen and have the potential risk of cross contamination

Y = YES N = NO C = Possible risk of cross contamination from factory, production line * Possible risk of Milk cross contamination NB/ 'No' is not indicated on the contains chart as we cannot completely eliminate the risk of cross contamination during the assembly part of the pizza making process.
